

Paediatric and early years First Aid with Basic Life Support

Introduction

This course focuses on emergency scenarios that are faced by professionals, including teachers, au pairs and playgroup leaders, looking after young children. It meets Ofsted requirements for registered childminders and the requirements for nannies under the Approved Carers Scheme. It can also be used as evidence for employees working towards an NVQ in Childcare and Education.

Who should attend?

This course is for people working with younger children - those up to eight years old – or working towards an NVQ in Childcare and Education.

What you will learn?

The course covers how to deal with accidents and emergencies involving young children.

Assessment and certification

Continuous assessment by trainer. A skills-based final assessment is available to students working towards a Childminding NVQ.
