

Managing for Efficiency and Effectiveness

INTRODUCTION

This two day course helps individuals to develop understanding and ability to manage efficiently and effectively within the workplace. This course will allow delegates to assess how own organisation translates vision, mission and strategic goals into operational objectives. The tasks involved will help individuals evaluate their own ability to manage effectively & efficiently and make recommendations for improvement.

COURSE OBJECTIVES

- By the end of the course, delegates will:
- Be able to assess the organisations ability to manage efficiently and effectively to achieve targets and objectives
- Be able to evaluate own ability to manage efficiently and effectively
