

Construction Skills – SSSTS Refresher

Introduction

The refresher aims to bring health and safety knowledge up to date, as well as giving a thorough overview of the legislative changes and their impact in the workplace. The course includes a wide range of topics which have been affected by the changes to procedures built upon the material in the original course.

This course provides supervisors with a refresher in to health and safety welfare involved with construction work activities. It also identifies the legal responsibilities of construction supervisors.

Delegates must have a valid/current SSSTS course certificate to attend this course.

Delegates will be required to complete a multiple-choice assessment as well as participate throughout the course.

Upon successful completion of the course, delegates will receive a Construction Skills Certificate that is valid for five years.

Full course price includes CITB certificate, CITB publication GE706, a Toolbox Talk Manual, light lunch and refreshments.

If your company is in the CITB Levy scheme £50.00 can be claimed back per day for the length of any Site Safety Plus course
